Killed, others missing

• The New Trier Echoes greatly appreciates the cooperation and help of the Tri-Ship Club in compiling the Honor Roll of our alumni. This list is complete only up to the day the Echoes went to press, May 1, 1944. The above names are printed with a certain pride and satisfaction in knowing that no matter where they were or what they were doing, the New Trier alumni did their job, and always will do their job, to the best of their ability.

Editor's Comment

The year 1943-44 is one that will long be remembered, not only by us, the students of New Trier, but by the students all over the world. The outcome of the war will depend upon us, as will the peace that follows. It is our aim, therefore, to build this year's ECHOES around the ideals and principles that we are striving for, and soon hope to obtain.

It is our sincere hope that you may find this volume a treasure of memories of the happy years spent at New Trier, and a promise of happier years to come.

• Little need be said of the achievements of the New Trier Administration and the Board of Education. Through their efforts, New Trier has obtained one of the highest scholastic ratings in the country. They have effectively seen to it that the school and activities run smoothly and properly.

New Trier has benefited greatly through the outstanding work done by Matthew P. Gaffney, superintendent for the past thirteen years. He has striven for pleasant relationships between the faculty and the students, and has tried to see that every student gets as much as possible from his four years in high school.

Aided by Mr. W. L. Brown, Business Manager and Assistant Superintendent; Mr. H. H. Herron, Registrar and Office Supervisor; Mr. F. A. Kahler, Dean of Boys; Miss Helen Maloney, Dean of Girls; and Mr. R. F. L. Biesemeier, Superintendent of Buildings and Grounds, Mr. Gaffney has succeeded in making our school one of the best in the country.

The task of taking care of all class affairs falls upon the adviser chairman. They direct adviser-room work throughout the year and act as a link between the advisers and the deans.

Department Heads

The Board of Education, under the leadership of Mr. H. A. Anderson, plays a very important part in the running of New Trier. The Board is made up of five members: Mr. H. A. Anderson, Mr. O. R. Barnett, Mr. C. E. Jarchow, Mr. R. G. Hinners, and Mr. G. W. Putnam.

Another important part of the New Trier Administration is the Department Heads. Each of the fourteen department heads correlates the program of his own department with the program of others. It is also his duty to integrate the courses within his own department and to supervise the selections of all textbooks that might be used.

Office Staff

THE STUDENT GIRLS' OFFICE STAFF

● Many responsibilities are carried out by the small but efficient Student Girls' Office Staff. The staff is made up of Junior and Senior girls only. The girls may have their choice as to whether they would rather work in the front office or the Registrar's office, where there are usually one or two girls assigned each period of the day. To obtain a position on this staff, the girls sign up, and from this list, Miss Maloney selects between thirty and forty of them. The school would be at a loss without the precision and capability of this staff.

THE OFFICE STAFF

● The operation of the school would be greatly impaired if it were not for the excellent work of the office staff. This consists of thirteen members who work in all the various school offices. The office staff is responsible for

• The sponsorship and technical supervision of the Student Visual Education is under the direction of Mr. Donald Smith. They run off seven hundred educational films every nine months and there are two volunteer students each period of the day.

Defense

A successful campaign to sell activities tickets enabled the council to help finance the athletic program, the New Trier News, Inklings, Dramatic Club productions, debate, G.A.A., and council expenses.

Student supervised study halls were rearranged and expanded to include more students than ever before. War stamps and bonds were sold throughout the year with considerable success which enabled us to earn and keep flying the "Minute Man Flag" of the government's "Schools at War" program. A remarkably successful drive to sell war bonds in the community resulted in a sale of $440,495.50 which was the largest amount sold by any school in the state at that time.

During the year a new department was created to organize and handle the clearing of the dining hall which had to be done by the students themselves because of the labor shortage. While the results have not been perfect, this project represents a great advance in student organization and responsibility.

Other services rendered included helping put on the Hallowe'en party, the gym-jams, a number of assemblies, a Riders' Club to facilitate boys getting rides to school, and a forum on citizenship. Altogether, considerable progress has been made in giving New Trier students an opportunity to develop good citizenship.

Tri-Ship Club

• This year the Tri-Ship Club has more than lived up to its tradition of creating Citizenship, Sportsmanship, and Fellowship among its members. A wide program of activities was carried out during the year, including the ever-popular Tri-Ship dances, the Athletic Dinner held in the fall, the Father and Son Banquet which came early in the spring, and perhaps the most outstanding feature, "Lagniappe," the student talent show.

Girls' Club

• From the beginning of the war, women have had ever-increasing chances to serve their community and their country. At New Trier, the Girls' Club feels a certain pride and satisfaction that it, too, can be of service in the war-effort. They have taken advantage of these opportunities to the utmost of their ability.

One of the largest goals that the Girls' Club achieved was the purchase of an ambulance completely furnished with x-ray equipment. We are proud to have a plaque from the government citing us for this achievement. Besides this, the Girls' Club is justly proud of its contributions to the New Trier Bond Drive; they helped put the drive over the top by subscribing $4,000.

During the year, the Girls' Club knitted scarves and sweaters for the Red Cross, made scrapbooks for wounded men, and filled Christmas stockings for servicemen. One of the greatest satisfactions the Girls' Club received from their work was a letter from the Red Cross saying the boxes that New Trier had packed for the war-stricken children overseas had been greatly welcomed and appreciated by all that received them.

The Girls' Club, however, did not devote its efforts entirely to the war. Their social schedule was filled with dinners and banquets that helped acquaint the members of New Trier. The event that causes the most expectation is the mother-daughter banquet held in the Spring. In the fall a supper was given by the board for all the new girls. Also given on a note of gaiety were the series of senior Advisory Suppers, that gave the girls a chance to get together during their last semester at New Trier.

The fund for scholarships increased surprisingly this year despite the large amount invested in the war. The magazine drive and the sale of hotdogs at the football game further added to the scholarship earnings.

The Girls' Club room was once again maintained and enjoyed by all the New Trier girls. It was there that the open house at Xmas time was given, and also the various teas and suppers, throughout the year.

The school owes a great deal to the Girls' Club, under the able sponsorship of Miss Lulu Wright, and to the Girls' Club board who has made a success, not only of its civilian activities, but in the war effort as well.

GAA

• This year G.A.A., under the able leadership of President Barbara Lyons, has presented a program of relaxation and recreation to help relieve the strain of present times. "Bing" has been aided at this momentous task by the members of the executive board.

Jane Mathias and her social committee started their year's work with the freshman-new girl party in the fall. Demonstration hockey and speedball games were followed by games and refreshments. Not the least of the new teachers present were Miss Gilbert and Miss Ebener, who, with Miss King and Mrs. Wells, superevised hockey, and speedball for the rest of the quarter.

After several playdays and teas, Jane's committee climaxed the first semester with the mid-year dinner. Awards were presented, the result of much hard work on the part of Vice-president Betty Van Horne and her awards committee, and of intra-mural sports chairman Marilyn MacKenzie, who skillfully handled the task of supervising the sports board. Ticket sales reached new heights under the salesmanship of Treasurer Jerry Ketcham, who also balanced budgets and collected dues.

Posters, news releases, and all other things artistic and literary were the responsibility of publicity chairman Marilyn McConnell, who brought many new and original ideas to her job.

The spruce condition of the G.A.A. office was a continued tribute to the efficiency of Barbara Hinners' service committee. Another of Barbara's tasks was the organization and supervision of the page girls. Youngest member of the board was sophomore secretary, Peggy Rose, whose pencil was kept busy all year taking minutes and keeping up on correspondence.

• **Three groups of service both to G.A.A. and to the department were the pool guard, the page girls, and the officials. The pool guard was under the direction of Annie Vaughan and of Miss Veach. All members had received their Life Saving certificates. They not only added to the safety of swimming, but also refereed water rugby games and helped with classes. The page girls were under the supervision of Barbara Hinners and gave up study hall time to carry messages and to run other errands.**

Carolyn Stein headed the officials, who provided aid and relief to teachers in all team sports. At the beginning of each quarter classes were held, and no girl was qualified as an official without having passed a rigorous written exam and practical test.

HOLLAND WATERS

• The 1944 Echoes staff and assistants have strived to put forth a better yearbook, in spite of the ever-increasing wartime restrictions and limitations. It has done its best to give you all accounts of the important events that have taken place this year. The staff consisted of Editor-in-chief, Bill Collins; Associate Editor, Pat Way; Business Manager, Ren Wisehart; Senior Section Editor, Emily Cleary; and Snapshot Editor, Tom Cooke.

Special recognition should go to Al Manning, the Echoes' Photographer, for his outstanding work in taking the group pictures in this book. He and his assistants worked untiringly in their effort to produce the excellent photographs of the various clubs and groups throughout the school.

Also special recognition should go to the two faculty sponsors, Mr. Waters, and Mr. Holland, without whose able assistance this book could never have been published.

Due to the war, the Echoes this year had to be sent to the press a month earlier. This and many other difficult schedules could not have been met without the aid of the various staffs.

The pictures of every student in the school, the popular candid shots, and the "Bill of Rights" theme have made, we hope, a better book, and one that New Trier can be proud of.

The Echoes staff would like to thank Mr. Bernie of Bernie Studios for the excellent officer and senior class pictures as well as the largest group pictures; the Pontiac Engraving and Electrotype Company for the fine engraving; the Lloyd Hollister Publishing Company for the excellent printing; and the Shelby Craftco Corporation, who furnished the covers for this 1944 Echoes yearbook.

The News

• In addition to its usual work of promoting the usual school activities, The News has taken an active part in publicizing New Trier's war efforts in such activities as the War Bond Drive, the Servicemen's Book Drive, and the Russian War Relief Drive.

Betty Hahneman, the editor, and the rest of the staff have attempted untiringly to improve the paper, and to bring the New Trier student's role in the present struggle closer to home. Features of special interest included the "Meet" series, introducing prominent students around school, news of

With the help of the two sponsors, Mr. Peterson and Miss Hamilton, the staff decides upon the finest of the poems, essays, and short stories handed in. The art department under Miss Murphy illustrates the book.**

Inklings fulfills its purpose in that it supplies a medium for students to display their writing ability, it gives the opportunity for the students to have practice in publishing a magazine, and it is a source of entertainment to the entire school.

• The Debate Team, under the sponsorship of Mr. MacLean, defended the school's enviable record of twenty-one years of debating by doing some outstanding work this year.

• Also under the sponsorship of Mr. MacLean, the Forensic Board is an organization that has charge of all Debate and Forensic meets. At the beginning of the second semester, the New Trier Debate Team boasted eleven wins against only one defeat.

• The Gavel Club is a training ground for future debaters. The business of the club is run similar to other clubs, but they hold debates at their meetings.

Dramatics

• As usual, the dramatic productions this year enjoyed very successful performances and were received by appreciative audiences. The season was set off to a fine beginning by Jacques Deval's entertaining comedy "Tovarich." "George and Margaret," Gerald Savory's amusing family comedy of pre-war English life, was the second production of the season. The underclassmen staged an old favorite, "Penrod," which had an exciting and mysterious touch to it. The last play, "Horizon Visible," given by upperclassmen, was written by our own Dr. Small. It was a deeply moving drama concerned with the present war situation.

The Verse Speaking Choir, under the direction of Mrs. Thurman, has earned a fine reputation along the North Shore as well as in school.

The work of the Stage, Light, Props, and Make-up crews, who gave much of their war time to make each production a success, has been much appreciated.

CAPT. KRITZER

• New Trier's defending Suburban League Football Champions relinquished their crown to the Oak Park Villagers and ended the season in a last place tie with Waukegan. Although finishing in the cellar the Grey-Green eleven scored as many points in winning one game as Oak Park did in taking four.

The season's prospects didn't look too bright when the Triermen were forced to come from behind to beat Taft, 20-13, but the team seemed greatly improved with a 19-6 triumph over Highland Park. The following week John Tuma's passing overcame a New Trier half-time lead, and Morton handed the Wave their initial setback, 18-13. After the Waukegan game, things looked better, for New Trier had routed the Warriors 28-7, while Oak Park and Evanston had barely eked out one-touchdown victories. Lake View served as a breather before the Oak Park game and New Trier handed the Chicagoans a 46-12 defeat.

The Triermen jumped off to an early lead against the Villagers, but in the second half, the T formation clicked and the Oak Park jinx prevailed to the tune of 14-7. The Amundsen Vikings moved in on Phelps Field fresh from the conquest of the North Section championship, and they moved out a beaten team for the first time, 21-0. The surprise and disappointment of the season came at Evanston where the Triermen dropped their season finale to the Wildkits, 13-0.

This year's edition of the Green Wave was composed of six seniors and five juniors. The seniors made up the entire middle of the forward wall with Captain Henry Kritzer and "Moose" Dunne at the tackles; Herb Rugen and Tom Burkhart at the guards; and All-State and All-Suburban Jerome Harvey at center. Warren Ely and Bill Kletzein held down the end positions throughout the year.

In the backfield Bob David, Bucky Ellis, Jim Smith, and Bill Jacob were the usual starters. Jacob finished second to Bruce Bairstow of Waukegan in the Suburban League scoring race, scoring 24 points to Bairstow's 25, even though Jacob played in one less game.

J. V. Football

• Under the able coaching of Mr. Funkhouser, the New Trier Junior Varsity football team went through a five-game schedule, winning their first game against Evanston and dropping the other four. The J.V.'s played Evanston three times this year because of transportation difficulties, while meeting Oak Park and Lake Forest each once. At the close of the season New Trier was notified that Evanston forfeited her two victories over the Triermen as they had played ineligible players.

Despite the somewhat unsuccessful season the team had a good time and morale was good. Nicholson emerged as a fine leader and acted as a quarterback in the last game, although O'Connor did a grand job at the regular quarterback position. Cowan and Lehman were good enough to play on the varsity part of the time, and Captain Brick and Cohrs were dependable as scrappers.

Boys to watch for on the varsity next season are Collison and Veneklasen, a fine pair of guards; Dick Anderson and Merkle as tackles; and Lehman who played a good game at fullback but will probably be shifted to a guard post. Buzz Collins is fast and should develop into a good back, also.

Frosh-Soph Football

• This year the Frosh-Soph football team, sparked by its captain, Jack Lockyer, enjoyed a very successful season. It dropped only one of its eight contests, that to Evanston and holding the always powerful Oak Park Eleven to a 6 all deadlock.

In the opinion of the team's coach, Chuck Lauer, this year's Frosh-Soph was even better than the previous season's team in so much as coordination and material to work with. This is evidenced by the presence and use of a complete Freshman line-up, which will greatly enhance next year's prospects.

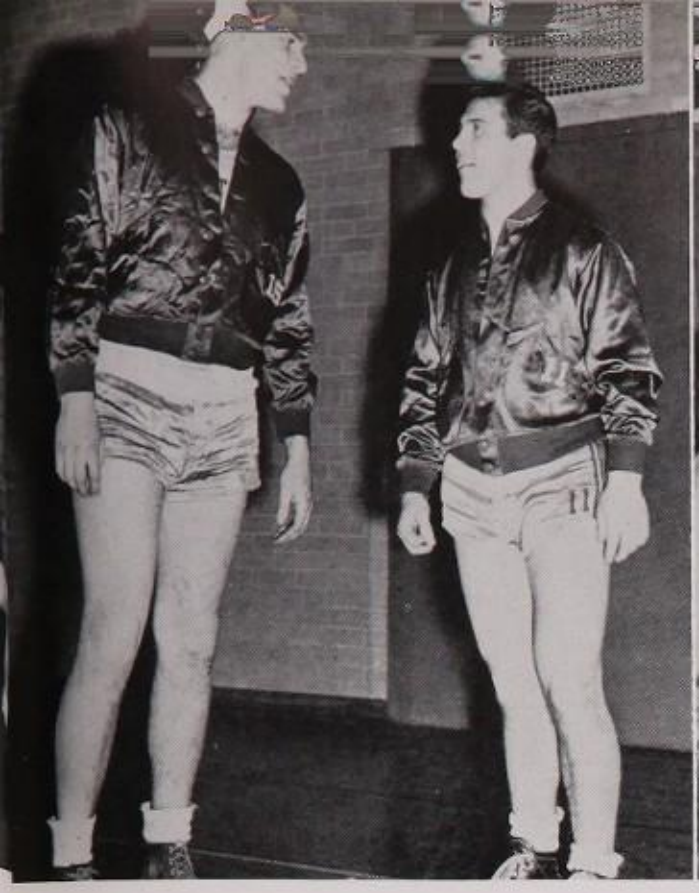
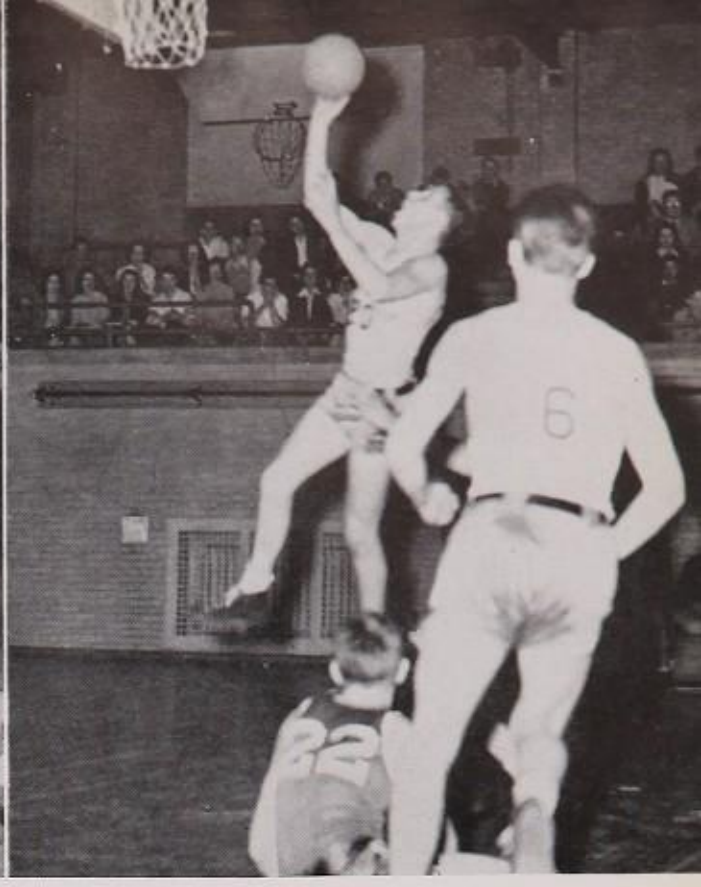
CAPT. CARROLL

VARSITY BASKETBALL—

• Although finishing the season in next to last place in the league standings, this year's varsity basketball team advanced to the Sectional tournament in state competition. The Grey-Green defeated Waukegan, Maine, and Libertyville to win the Libertyville Regional Tourney and advance to the Proviso Sectional where they were eliminated by the Pirates. It was the second straight year that New Trier has won the regional title.

The season's total of nine victories and eleven defeats doesn't appear too impressive, but not one of the losses, with the exception of the final contest, and the Elgin game, was by a margin of more than





five points. One of the greatest examples of the team's ability was their rally at Evanston when, trailing 21-8 at the half, they stopped the Wildkits cold and were barely nosed out, 26-25.

The starting quintet for the Grey-Green consisted of Forwards Granger Cook and Jack Fisher; Center Dave Atcheson; and Guards Bob David and Captain Frank Carroll. Cook, Fisher, and Carroll all ranked among the top ten scorers in the league with Frank getting a second to Proviso's Glenn Schlichting. Carroll's season total including league and non-league games was 212 points, a remarkable total to be marked up from a guard position.

J V

• The Junior-Varsity cage team turned what started out to be a discouraging season into a fairly successful one by winning their last three games. Previous to these contests they had dropped four straight so the J. V.'s were one short of a .500 average for the year. Due to transportation difficulties, Evanston and Waukegan were the only two schools the Triermen engaged.

The Warriors came from behind to win the season opener, and the Wildkits were forced into an overtime to win the following week, 32-31. Evanston and Waukegan both won again before the Grey-Green, bolstered with four Juniors from the varsity squad, earned their first victory, a 38-25 conquest of the Wildkits. They turned the trick again, 24-21, to gain an even split in the four game series, and then downed the Warriors in the season finale, 40-32.

FROSH-SOPH BASKETBALL—

• This year's Frosh-Soph basketball team finished the season in the runner-up position in the Suburban League, one game behind the champion Morton Mustangs. The Ponies dropped their first two games of the year to Oak Park and Waukegan, and later took it on the chin from Morton, but no team could turn the trick twice and the Grey-Green finished with a seven-three won-lost record.

Park Taylor and Mike Zeddies handled the chores in the scoring department from their forward positions, Jim Roberts added his height at the center position, and Phil Wolff and Jack Lockyer adequately fulfilled their defensive assignments. Taylor, Zeddies, and Lockyer moved up to the Varsity during the Regional and Sectional tournaments.

VARSITY SWIMMING

• New Trier scored the most decisive victory ever recorded in the history of the State Meet when they climaxed an unbeaten season by winning the State crown with a total of 70 points. Lane Tech, the city of Chicago's representative outfit and perennial favorite, rated a poor second with 32. This triumph was a fitting close to a successful season in which the Triermen won all of their twelve dual meets, and swept to an easy victory in the Suburban League Interscholastic Meet.

Standouts of this year's team were the first place winners in the State Championship Meet. Co-Capt. Barnes repeated his record of last year and is the State Champion 50 yd. free-style swimmer. Chuck Solberg in the breast stroke, Dick Lepman in the 100 yd. free, John Sampson in the back stroke, Doug Gregory in diving, are all State Champions. The medley team of Sampson, Mack, and Co-Capt. Barnes and the relay team of Co-Capt. McMullen, Ellis, Lehman, and Lepman also won first place in the Championships. Two new records were established, namely, New Trier secured a larger total of points in the State event than has any other team in the history of the event and this is the first time a single team has won seven of the possible eight first places. Valuable State points were also won by Dick Howell, Don Kaufman, Bill Tucker, Dave Robertson, Bob Copp, and Bernard Bernardi. These fifteen N.T. natators rolled up 70 points.

The Grey-Green had very little trouble in subduing any of their opponents, winning practically all their meets by top-heavy scores. Once again Shorewood, Wisconsin State Champs, were defeated, this time 52-14, and Danville, which always presents a formidable array of talent, went down 58-8. The varsity mermen rolled up a season total of 601 points to 198 for their opposition.

The 150 yard medley relay team of Sampson, Mack, and Barnes set a new League record in this event by marking up a time of 1:24.9. In the State Preliminaries their time was 1:24.

This year's team is undoubtedly one of the finest ever to represent New Trier.

FROSH-SOPH SWIMMING

• The Frosh-Soph swimmers kept pace with the varsity throughout the year by winning all of its dual meets, and sweeping the League Interscholastic with very little trouble. The only team to offer any real resistance was Highland Park and this aggregation was eventually turned down, 38-28.

In the League Meet the Triermen amassed 46 points to second place Highland Park's 22. Fried, Co-Capt. Jannotta, Copp, and Stowers all got firsts for the Grey-Green, with Jannotta, Vedovell, and Hey teaming up in the 150 yard medley relay to get a second. Mayer, Fried, Farrington, and Co-Capt. Cooke combined their efforts for a victory in the 200 yard relay. Copp's outstanding ability moved him up to the varsity to participate in the State Meet in which he placed fourth in the back stroke.

With the material coming up to the Varsity next year, and this season's juniors, prospects for 1945 are bright.

Swimming

• The New Trier Guard is composed of twenty selected members of the Swimming Organization. These swimmers assist with the conduct and supervision of all swimming activities for high school students and also act as student instructors for grammar school pupils in classes held each Saturday morning.

Members of the Guard give of their time and talent without expecting, or receiving, an award of any kind except that of being of service to the school and the community. The Guard is considered by Coach Jackson as the "back-bone" of the Swimming Organization and, to be a member, is an honor equal to being the finest speed swimmer. To be selected as Head Guard ranks that boy to the same level as a captaincy.

The 1943-44 Head Guard, Dave Robertson, has served for three years and has taught close to one hundred grammar school pupils to swim. Some of Dave's pupils will be N. T. swimmers for the next few years.

Golf and Tennis

TENNIS

• This year's tennis team, although considerably weakened by the loss of Howe Atwater, seeded the number one national junior singles ranking, had great prospects. As the Echoes had gone to press before the season was underway, the results were not yet known, but the team was exceptionally strong with such veterans as Don Schweger, Bud Neeves, and Alex Vogl returning from last year

GOLF

• Despite the loss of many lettermen from last year's squad, with the exception of one, Coach Aram says the prospects for this year look pretty good. He bases his prediction on his one returning letterman, George Wood, and the boys who just failed to make the team last year.

This year's team will have to go some though, if they expect to equal the mark set by the previous season's squad, who, besides winning all their matches, captured the district title.

Varsity Track

VARSITY TRACK—

• This year's varsity track team was one of the finest in the history of the school. The Triermen climaxed a successful indoor season by winning both the Suburban League Meet and the Oak Park Relays, and prospects for the outdoor season appeared equally as bright as the Echoes went to press.

The Grey-Green launched their campaign with a 92-1 rout of Sullivan and they continued to overthrow all opposition, with the exception of one defeat suffered at the hands of Oak Park in a relay meet.

Coach John Nay had an abundance of fine material highlighted by Stu Olson in the half mile; Henry Aihara in the broad jump and high jump; Warren Ely and Jerry Harvey in the shot put; Johnny Spink and Dick Warfield in the hurdles; and Jim Ludford in the broad jump and relay.

LUDFORD - SHIREMAN

• This year's Frosh-Soph track squad showed steady improvement throughout the indoor season by winning three meets and joining with the varsity in two relay clashes. Although the Ponies got a fourth in the Suburban League meet, they show promise for improvement in outdoor competition.

The Grey-Green defeated Sullivan and Schurz of Chicago and triumphed in a triangular meet over Evanston and Maine.

Kunzelman, Bare, Randolph, Grater, Penberthy, Vallez, Baur, Mills, Donahue, and Rennacker are a few of the outstanding competitors, with Mayer, Campbell, Weldon, and Baur composing a fine relay team.

Baseball

VARSITY BASEBALL—

• If the veterans of last year's ball club live up to their expectations, the New Trier varsity should be a title contender. In the outfield, Coach Ashenbach has Johnny Mayer, Harry Stein, and Jake Fisher coming back from last year. The infield will be new except for Captain Dave Musson at second base. Art Dole and Chuck Morrison, both lettermen, will have Jerry Harvey to catch their tosses.

With these men as a nucleus, Coach Aschenbach hopes to mold some of the juniors into a first class outfit. Eddie Hartman will undoubtedly see plenty of action in Jerry Harvey's place. Dave Dusham, Byron Warnes, and Johnny Weare are being counted on to bolster the mound corps. Rog Myer, Joe Firch and Charlie Steingraber will help out in the outfield, where their services will be greatly appreciated.

If these men come through as they are expected to, New Trier will have one of the best diamond aggregations in many years.

Frosh-Soph

• In his third year as coach of New Trier's Frosh-Soph baseball team, Mr. Lionel Lightner will have one of the greatest assemblages of returning veterans in the history of the school.

As we go to press, Park Taylor, Mark Day, and Bud Bray, last year's regular third baseman, short stop, and second baseman respectively, are expected to hold down those positions again this year. Mike Zeddies and Bill Cowhill, also veterans, will probably capture the first base and catcher positions, respectively. The mound staff will be fortified with the return of lettermen Chuck Olson and Johnny Cleveland.

This group, aided by a hustling bunch of freshmen and sophomores, should make this squad a contender, if not a winner, for the league crown.

Big event of the season was the Illinois-Northwestern clash, held this year in hockey and speedball, Illinois the victor in both. Speedball class champs were the freshmen, hockey class champs the seniors.

Tennis tournaments, under Mary Christerson were held in both singles and doubles, fall and spring. Something was added to the riding schedule. A group of advanced riders, under Margaret Carson, continued riding through the winter. The year ended with a horse show.

Third quarter, class meets were followed by the telegraphic meet. Rhythms was presented by Mary Waldorf and Miss Ebener for three quarters this year. The advanced group worked up to something unusual, a part in the senior play "Horizon Visible." Folk dances of various countries were represented.

Eugenie Wuichet and Miss King were in charge of volleyball. Class champs were the juniors. Recreational games, under Jane Figley and Mrs. Abbott, featured ping-pong, shuffleboard, badminton and duck pins. School ping-pong champion was senior Frances Eshbach.

Nancy Ritter and Miss Gilbert brought a variation with a ladder tournament in basketball. Class champs were the juniors. Sally Provoost's physical fitness group, under the direction of Miss Boulton, experimented with tumbling apparatus, and, occasionally, the commando course.

Betsy Siefkin and Miss Ebener headed square dancing, GAA's only mixed sport, which was held every Friday in the dining hall.

Spring sports were baseball, lacrosse, archery, and golf. Baseball, under Peggy Shinnick, enjoyed its usual popularity, and lacrosse teams under Susan Englehard and Miss King attained a high degree of skill. Marilyn Pearson's archers practiced daily under the guidance of Mrs. Abbott. In spite of war restrictions, Anne Lawrence's golf fans had considerable practice with Miss Gilbert, with an occasional trip to a near-by course.

RENNACKER WILSON LAUER SCHMIDT

Freshmen

• The freshman class has overcome its difficulties with great honors by the help of Miss Shaw and Mr. Reiley, advisor chairmen.

Under the leadership of Ted Rennacker president, Joan Wilson, vice-president, Bob Lauer, treasurer and Rosina Schmidt, secretary, they have had social gatherings to become better acquainted. There were father and son mixers in the gym and girls' advisor room teas with mothers in the girls' club room. Plans were made for mixers and big sister parties as well. An all-freshman Gym-Jam was held under the direction of council.

The freshmen joined various clubs, had a great interest in sports, the boys taking first place in track and football, and took part in the dramatic production "Penrod." Their advisors recommended a number of them to other organizations such as Council, Girls' Club, and Tri-Ship Committees.

The class has had a good year and has become part of the school with interest in all activities.

PEARSON FRAZIER CARNEY BEAVEN

Soph s

• The Sophomores, under the leadership of their officers, Bob Pearson, President; Virginia Beaven, Vice-president; Marilyn Frazier, Secretary; and Mel Carney, Treasurer, have proved that as upper classmen next year, they will be dependable and reliable.

This has been shown in their excellent cooperation and assistance in the Red Cross Drive, the bond drive, magazine drive, and the defense sales. Besides their interest in the war effort, they have also participated in social events. The most important occasion of the year was the Sophomore party, which was carefully planned and carried out by the Sophomore officers, with the help of Miss Hurst and Mr. Grinnell, the advisor chairmen. The Sophomores owe a great deal of appreciation to these advisor chairmen who have prepared them throughout the year to become upperclassmen. The Sophomores also participated in the Freshman-Sophomore play, "Penrod."

Juniors

• The Juniors have proved themselves very capable in undertaking the responsibilities of upperclassmen under the leadership of Nancy Bryson, President; Jim Smith, Vice-President; Bibsy Cook, Secretary; and Steve Davis, Treasurer. With the tireless efforts of the officers and the committee members, the Junior Prom, which was the highlight of the year, was made a success.

As upper classmen, the Juniors worked hard in all school activities, including the bond drive and the weekly sale of war stamps. This year, for the first time, Juniors elected to TNT were put on a probationary board. If they maintain their good records next year, they will become TNT members and elect next year's board.

The Junior advisor chairmen deserve a great deal of credit in helping the Juniors in upholding former standards. The Junior Boys' Chairman was Mr. Vernon and because of Miss Brady's illness, Miss Maloney acted as chairman of the Junior girls. It is certain that the Juniors are capable of being the leaders of the school next year.

HADDEN

• **T.N.T. is New Trier's way of recognizing special achievement in the field of activities. This year a new system of election has been adopted. Juniors are not elected as members, but only to serve on an election board. Thus election to T.N.T. has become a distinctively senior award. Although the recommendations are made by faculty members, the actual voting is done by the students.**

This year seventeen senior girls and thirteen senior boys won the honor of election to T.N.T. Only the most prominent students in school are elected and because of this, T.N.T. is considered the highest honor a student may attain at New Trier aside from the Tri-Ship and D.A.R. Awards.

The Seniors

• The senior class this year has led New Trier in its many traditional activities. Besides these activities, it has contributed new ideas and methods to meet curtailments due to the war. From the moment the class entered through the doors of New Trier, it showed great promise. Now at the end of the four years it has accomplished its objective. Through interest, loyalty, and enthusiastic efforts, it brought itself to be a great advantage to the school as a whole.

It has helped with the various organizations to undertake and complete successfully such jobs as charity drives, forums, dramatic productions, the opera, the talent show, gym jams, and bond drives.

Following the precedent set by other classes, the Senior Hop was held, turning out to be one of the finest ever given.

The senior class has furthered the organization and expansion of student bond and stamp sales and also the successful running of the bond drive in which the entire North Shore took part. Through this, they obtained over $400,000 to buy a flying fortress inscribed with an emblem of New Trier.

Tri-Ship and Girls' Club both have helped to further the field of scholarships presented to the students as it has done in years before.

The class could never have accomplished all that it has done if it had not been for the excellent guidance and advice of Miss Maloney and Mr. Kahler and it thanks them heartily.

And so goodbye now, Class of '44 and loads of good luck.

JOHN HOESLI

The sudden loss of John Hoesli on June 26, 1942 was greatly felt by the class of '44. While in school, John was especially interested in sports, including football and basketball. His freshman year he was on the Frosh-Soph football team, and an officer in the 1st Glee Club. He again was on the football team in his Sophomore year, and was in the Opera Group.

His cheerfulness and friendliness will always be remembered by the many friends that he made during his years at New Trier.

JOSEPH STANDER

Although Joseph Stander completed only his Freshman year at New Trier, he will never be forgotten by those who knew him, not only for his generosity, but for his kindness to everyone.

Joe went out for I. M. Handball and Volleyball while in school, and had a special liking for baseball and football.

After an illness of six weeks, he passed away in Glenview on June 24, 1941.
